MEMORANDUM FOR: Chief, Special Security Center/OS
Chief, Special Intelligence Security Staff

SUBJECT : Emergency Couriers

REFERENCE : DD/S&T 2890/67 dated 18 July 1967
Same Subject

**DD/S&T
FILE COPY**

1. This memorandum has been prepared to formalize the request from this Directorate for the individuals identified in the attached correspondence who have been proposed as individuals to perform emergency courier activities including the transfer of multi-codeword material. All of the Offices of this Directorate have been canvassed and the attached correspondence depicts those individuals in need of this emergency courier designation.

2. It should be noted that the rosters attached to this memorandum are typically broken down into two categories, the first category represents individuals who have been designated as alternate Top Secret control officers and emergency couriers for multi-codeword material during the initial designation last year. The second category evidenced on the attached rosters represents individuals who have been identified by the various offices as requiring emergency courier status. Each Office within the Directorate has carefully screened their personnel and, in a number of instances, individuals who were originally scheduled for the emergency courier status last year have been deleted and the second category listing has been prepared with the underlying theme of containing the number of individuals to be added for this period.

3. It is requested that you approve the designation as emergency couriers (multi-codeword) of the individuals set forth
